100% EXPORT ORIENTED

KNIT COMPOSITE INDUSTRY

ABOUT US

Liberty Knitwear Ltd. (LKL), a concern of Micro Fibre Group, stands as one of Bangladesh's leading 100% export-oriented composite knit industries. Established under the visionary leadership of M. S. Zaman, a renowned textile engineer, LKL has grown over the past two decades into a vertically integrated operation with a global reach.

Our success stems from strategic planning, investment in state-of-the-art machinery, professional expertise, and uncompromising dedication to quality. From yarn to finished garments, LKL provides a one-stop solution in knitting, dyeing, printing, embroidery, labeling, accessories, and finishing — ensuring excellence at every stage.
